

# Goals

GOALSoccer (Georgia Outreach Advancing the Lives of those with Special Needs) is a philanthropy organization at Georgia Tech that is partnered with Special Olympics Georgia to give children with special needs in the Atlanta area the opportunity to experience the value of team sports through the game of soccer

We have fun, free, weekly practices led by our carefully-selected student volunteers and allow children the opportunity to participate in the Georgia Summer Special Olympic Games.

## PRACTICES

Sundays 12:00 PM—1:00 PM

January 31, 2016 - April 17, 2016

Georgia Tech's outdoor SAC Fields

\*indoor gym space reserved for inclement weather
